Data Protection Act 1998: How we use your information from the Key Stage Tests (SATs)

Dear parents,

We process personal information relating to our pupils and may receive information about them from their previous school, local authority, the Department for Education (DfE) and the Learning Records Service. We hold this personal data to:

- support our pupils' learning
- monitor and report on their progress
- provide appropriate pastoral care; and
- assess the quality of our services

Information about our pupils that we hold will include their contact details, national curriculum assessment results, attendance information, any exclusion information, where they go after they leave us and personal characteristics such as their ethnic group, any special educational needs they may have as well as relevant medical information.

We will not give information about you to anyone without your consent unless the law and our policies allow us to.

We are required, by law, to pass certain information about our pupils to our local authority (LA) and the Department for Education (DfE).

If you need more information about how our local authority and/or DfE collect and use your information, please visit:

- our local authority at <http://www.centralbedfordshire.gov.uk/> or
- the DfE website at <https://www.gov.uk/data-protection-how-we-collect-and-share-research-data>

**** Note: We do not publish our results for Key Stage SATs due to our size for confidentiality reasons ****
